

The Medical Alert Monitoring System That Helps You Feel Safe and Secure in Your Home!

Trusted by Your Home Health Agency

Enjoy the **freedom & protection** of a Medical Guardian Alert System. Having a medical alert device can provide both you and your loved ones with the **peace of mind** knowing that should a medical emergency, home intrusion, fire, or home accident occur, you are not alone.

Around \$1 a day, you can choose an **in-home** system that provides comprehensive support in and around your home, or an **on-the-go** wearable that protects you while you're out and about. Plus, receive **FREE Fall Detection!** (That's \$120 savings per year!)
